**Application for CJA Funding of Defendant's Daily Trial Transcripts
and Transcript of March 12, 2018 Pre-Trial Conference**

United States of America v. Michael Little
Docket No. 12-cr-0647 (PKC)

Dear Judge Castel,

I respectfully write to request the Court to approve CJA funding for daily trial transcripts and for the transcript of the pretrial conference of March 12, 2018. I have previously provided a financial affidavit to the Court. Because of how transcript orders are linked with the eVoucher system, I also request that my standby counsel, Mr. Sean Maher, be permitted to submit my transcript requests via his eVoucher account.

Respectfully submitted,

/s/
